

## Reviews for Southern Man

### *It ... grabbed me...*

...pulled me in, and made me want to know what's going to happen.... Prose is smooth and professional.

**Thomas Moore, Author**  
*The Hunt for Confederate Gold*

### *A novel with political bite ... an absorbing story ...*

...of politically targeted individuals facing social and career extinction.... a well written story, with prose that's concise and silky to read..... refreshingly written from the viewpoint of the traditional family values that made our culture the world's envy... grippingly exposes the underside of corporate harassment policies that have inadvertently brought misery to many innocent employees.... the harrowing rush to the book's conclusion is a riveting reading experience.

### *There's a large cast of characters...*

...in this novel, yet each character is distinct and well-drawn, not one cardboard cutout in the whole bunch. They each have distinct and understandable desires, motivations and actions. And where those motivations clash, the conflict keeps the reader turning pages.

**Tommie Lyn, Author**  
*High On a Mountain*

\* \* \*

### *...a sensitive, thought provoking...*

emotional, Christian love story ... very realistic in the sense that we are all human and prone to human needs and desires as well as weaknesses of faith and self-esteem. ...the story was heartening for Christian readers to feel more at ease with a traditional lifestyles and comfortable with God-centered decisions.... a story that focused the moral messages of monogamy, truth, and trust in family, friends, and God.

**Shawn Weisser**  
**You Gotta Read Reviews**

### *This is a sweet, sweet story.*

I love the innocence and purity of it. I like the way Chastain makes religion a part of the characters' lives without being preachy.

**Valerie Mann, Author**
